## Art Scholarship Programme

★ 2.7% ★

OF UK ART

sector people come from  
Black, Asian and other  
ethnically diverse  
backgrounds

### Our Art Scholarship Programme aims to:

- provide financial scholarships to underrepresented and under-resourced young people for arts education
- empower the next generation of arts talent
- create more equitable opportunities in the arts
- chip away at the exclusionary way things have always been done in the art world
- change the narrative to create greater inclusion

### Five Simple steps to applying:

1. Visit our website, register to our application portal
2. Prepare your portfolio to showcase your art & style
3. Provide a personal statement of up to 1200 words
  4. Present a clear case of financial need
  5. Submit your application on our portal

*Education is key to growth  
and funding is the primary  
barrier to entry in the arts*
